Heating & Cooling

When you are looking for real heating power for massive areas, the Big Brother is the answer.

These big, safe, direct-fired gas mobile heaters are strong and very easy to use.

- Heater with a vast air output range (from 39.000 to 86.000 Kcal/h)
- Functions on propane gas
- Gas regulator on the unit, fully adjustable to the required output
- Thermionic flame control
- Equipped with two solenoid valves and safety thermostat
- Set to be connected to a room thermostat
- Unleaded epoxydic powder paint
