

100 kW Containerised Boiler

www.crosshireservices.ie

Heating & Cooling

This is a compact unit that can deliver both heating and domestic hot water for low duty requirements, while only taking up a small footprint.

The 100kW Containerised Boiler is available with an oil or gas fired burner and is perfectly paired with our 700-litre external fuel tank. This tank also takes up a low footprint, while proving at least 56 hours of run time from a single filling.
