Cross Hire Services

Heating & Cooling

The Kalahari 250 provides the best means of speeding up the drying time on building sites. But it won't cause any cracking or distorting to the 'wet' processes, such as concrete floors and plaster walls, for example. In small areas and single rooms, meanwhile, the Kalahari 250 is ideal for creating an arid climate.

Features:

- Humidistat
- Hour Counter
- Dual Voltage
- Condensate Pump

Specification Overview

Removal Capacity	11.25 ltr/24hrs @ 70% RH / 20°C
Air Volume (m ³ /h)	600
Input Voltage	230V / 1ph / 50Hz
Running Current	1.3 amps
Dimensions (W x L x H)	545 x 370 x 320mm
Weight (kg)	23
