

Oil Fired Heater Red Star 85

Indirect Heater

www.crosshireservices.ie

Heating & Cooling

The Red star heaters are powerful indirect fired heaters in our range. Their ability to deliver huge amounts of safe fume-free heat wherever you need is incredible. Not just powerful, but also economical and can be controlled by connection to a room thermostat whether you need to heat a construction site or an enclosed area.

- Ideal for drying in building sites and heating closed premises
- Mobile heater with stack
- Flame control box
- Automatic electric safety and control device
