## Cross Hire Services

### Heating & Cooling

The SA CYCLONE EX air mover is a high power portable hazardous area ventilation fan designed for safe and reliable extraction of dangerous vapors in hazardous environments. With the use of interchangeable duct adaptors, one unit can be configured for 30cm and 40cm applications.

#### Key Benefits:

- \*ATEX & IECEx certified for zones 1 & 2
- \*Airflow of up to 5179 m<sup>3</sup>/hr
- \*Configurable for use with 30cm & 40cm ducting
- \*Easier handling which reduces risk of strains
- \*Thermal cut-out motor protection
- \*Integral cable storage minimises damage
- \*Anti-static polyethylene housing
- \*Highly durable and strong components
- \*Modular design allows for multiple variations

#### Applications:

- \*Offshore platforms
- \*Oil refineries
- \*Vessels and tanks
- \*Confined spaces
- \*Chemical plants
- \*Shipbuilding and repair
- \*Utilities
